Sport in Mind in partnership with Movember and Green Man Walks will be hosting a men's walk and talk through the lovely surrounds of Freshford and River Avon. The majority of the walk will be on the Kennet & Avon towpath where we will take in the industrial marvel of Avoncliff Aqueduct, followed by a tranquil loop back to Freshford village.

The weather can't be guaranteed so please dress accordingly with sturdy waterproof shoes.

Speak to James for more info and let us know you're attending by calling 07341267740 or emailing laura.brooks@sportinmind.org as spaces are limited.
